-Jaime reviews how great the meeting was. Discussion was mostly around Futures, but there was a lot of communication.

### V. Feedback from summer championship meets

### VI. Futures

-As a host "fantastic meet". Add another site in is the general consensus. All meets besides Fargo filled this year, but lots of teams went to other meets in the south (ISCA, etc.) because they didn't get into Ocala. 5 sites have already been selected based on the boundaries, adding a 6<sup>th</sup> site will be tough for 2024.

-Motion to include faster 19&O times- passes.

-Motion to open borders for Futures and open entries April 15 (or 16<sup>th</sup> if 15 is a Monday)- passes.

-Patrick will come back to the committee with additional data for making 18U standards faster.

-Do we want to make it faster for next year, or the year after? Will be a big change in times.

-Both sets of times standards will be voted on by email.

-Motion to cap at 1000, inclusive of relay only swimmers. Motion passes unanimously.
